

Geneva 2030 College and Career Readiness Action Team Summary

Chairs, Jeanine Eckenrode and Greg Baker

Goal 2022-23: Increase career awareness, exploration and sustainable learning pathway opportunities leading to post-secondary educational experiences

Strategies:

- Facilitated college visit trips for GHS students in 2nd, 6th and 9th grades to HWS campus
- Hosted two financial aid workshops in high school-two at night: one in person and one online
- Hosted FASFA completion session for all seniors in the fall
- Hosted a career chat series to highlight a diverse array of professions-had about 60 students participated in workshops
- Week- long What's Next Program for high school students in 11th and 12th grades-had 11 students participate in program
- HUB started for information on college and career readiness similar to online binders available for resources for seniors and their families
- Make public the Gemini and AP courses that are transferrable from Geneva to HWS
- Hired and AmeriCorps*VISTA as FLCC Pre-College Advisor to work with high school students on college and career exploration and preparedness
