

Vision Statement: Geneva 2030 engages a broad array of community voices by building awareness and information sharing; involving and mobilizing the community toward improving educational outcomes and economic mobility for youth; and co-developing solutions and strategies with community members.

Mission Statement: Geneva 2030 connects and empowers all members of the community to advance equity and support the success of every Geneva child, cradle to career, by creating and transforming the systems that shape opportunity.

Strategy: We will build a stronger Geneva by harnessing the resources of the entire community to create educational and economic success for all Geneva youth from “cradle to career (C2C).”

Overarching Goals:

- Every child enters school ready to learn.
- Every student is supported and engaged and succeeds in school.
- Every graduate attains employment or a post-secondary credential.

Geneva 2030 Action Team

Parent and Community Connections

Goals:

- Identify parent priorities for youth success and build fellowship around them
- Reduce barriers for parent engagement, connections and community belonging
- Foster connections
 - between parents and the community
 - between parent
 - between parents and the school

Year 1 Specific Goals:

- Study/Define- Parent/Community Connections
 - PECANS
 - Parenting Nation
- What does research say about parent/community connections with school districts?
 - Data from Laurie or School
 - Which types of parent/community connections are likely to increase student success in our community?
- Identify barriers to connections between parents/community and the school district.
 - Input from Parent groups
 - Input from School
- Brainstorm research based solutions specific to these barriers
- Get systems set up for reducing barriers
- Create a plan with goals and solutions specific to the barriers identified.
